Mohit Sharma

Project Management Office (PMO) Intern | Excel and Data Analysis | Reporting and Resource Support

Riga, Latvia | +371 26698028 | mohitsharma091111@gmail.com | linkedin.com/in/mohitsharma-072a461a4

PROFESSIONAL SUMMARY

Detail-oriented PMO intern candidate with a Master's in International Business (2026) and 4+ years of experience across accounting, sales and customer operations. Skilled in project coordination, task and deadline tracking, status and management reporting, stakeholder communication and Excel data analysis. Proven record of delivering recurring reporting cycles on fixed deadlines and coordinating with multicultural teams. Currently studying Computer Systems and certified in AI fundamentals (IBM SkillsBuild). Keen to support client projects, resource planning and day-to-day PMO operations while learning new tools quickly.

WORK EXPERIENCE

Sales Executive, Dyninno Group, Riga, Latvia — Sep 2024 – Present

- Manage a daily pipeline of customer accounts in CRM systems, tracking progress and deadlines against sales targets for 2+ years.
- Process customer payments through secure payment-gateway procedures for an international client base, maintaining accuracy and compliance.
- Coordinate with colleagues across borders in a multicultural team, communicating status updates and resolving customer issues.
- Apply CRM and reporting tools to improve account follow-up, documentation and record keeping.
- Track client requests from first contact to payment confirmation, keeping every account status current for the team.

Accountant, Kiran Foreign Trade, Mohali, India — Mar 2023 – Feb 2024

- Prepared supporting schedules and documentation for annual financial statements and external audits using Excel and Xero.
- Performed account reconciliations and analysed financial transactions to ensure accuracy and compliance.
- Supported 12 consecutive month-end closing and reporting cycles, delivering all reports to fixed deadlines.
- Produced management reports, balance sheets and accounts receivable reports for New Zealand accounting.
- Collaborated with internal teams to resolve queries and support management decision making.
- Documented accounting procedures and working papers so reports could be reviewed and reused each period.

Customer Service Associate, Frontizo Business Services, Panchkula, India — Mar 2022 – Feb 2023

- Resolved customer queries by phone and live chat, handling multiple simultaneous chats while maintaining service quality.
- Verified customer information and maintained accurate internal records across international and domestic processes.
- Built strong multitasking and documentation habits in a high-volume, deadline-driven environment.
- Gathered and verified customer credentials to keep records accurate for domestic and international processes.
